Dear Miss Rodger

Final inspection report

Wood Field Primary School

Following your recent inspection, please find attached the final version of your inspection report. We will usually publish the report five working days from the date of this letter on the [Ofsted reports website](https://www.gov.uk/ofsted-reports).

Thank you for your comment submitted following your review of the draft report. I can confirm that I have made the necessary amendment which is reflected in the final version attached.

You are required to distribute a copy of the report to the registered parents of all registered pupils. This includes any registered parent who may not be living with the child and includes pupils who do not currently attend school but are still on the school's roll, for example due to sick leave or temporary exclusion. The school must distribute the report to parents within five working days from the date of this letter.¹

If you experience any difficulties accessing the report on the Ofsted website, please contact us – the inspection support administrator listed below is your best point of contact.

Post-inspection survey

We invite you to complete our short post-inspection survey on the [provider portal](#) with your views on the inspection process. This includes your views on the impact the inspection is likely to have in bringing about improvement to your provision. By responding to this survey, you will help Ofsted improve the inspection process.

¹ This is required under the Education Act 2005 section 14(4)(c) in relation to maintained schools and section 16(3)(c) for academies, free schools and non-maintained special schools. Regulation six of The Education (School Inspection) (England) Regulations 2005 states that the governing body must take 'such steps as are reasonably practicable' to ensure that the registered parents receive the report within five working days.

Yours sincerely

Russell Bennett HMI
Lead Inspector
