

Levels of Behaviour

As a school, we recognise the importance of consistent behaviour management and the importance of promoting positive behaviour at all times.

We recognise that if consequences do need to be issued, they should be fair and relate to the level of behaviour that has led to the consequence.

Below are some of the consequences which may occur for behaviours of the different levels. Consequences will be selected by the staff dealing with the behaviour and will relate to severity of the behaviour and the context of the behaviour. The consequences listed below are not the only consequences that may arise and staff may choose to issue a consequence that is not listed below in some circumstances.

A behaviour point can be received for an isolated incident or for a child having their name moved down more than once. KS2: As per the school's behaviour policy, a behaviour results in a detention. 4 behaviour points in a half term results in an internal exclusion.
