

Welcome to Dormice!

Miss Tribe is my class teacher.

I have a daughter who is 4 years old and starting reception at the same time as you.

I like to have days out with my little girl to the beach, farms and parks.

I enjoy reading books and have a large collection to share with you.

We are working very hard to get your classroom full of toys and fun activities for when you start with us.

Here is some pictures of our outside area:
